Join Us in Building Hope

Habitat for Humanity Northeast Michigan invites you to partner with us as a sponsor of our 2026 Annual Dinner Fundraiser. This special evening features an Elk Viewing Carriage Ride past three recently completed Habitat homes on Pine Street in Hillman, followed by a gourmet dinner and wine tasting at Thunder Bay Resort. Guests will also enjoy a raffle with prizes including a custom-made deer blind, a \$500 gift certificate, and a \$250 cash prize.

Your sponsorship directly supports our mission of providing safe, affordable housing and critical home repairs to families across Alpena, Alcona, Presque Isle, Montmorency, and Oscoda counties. The need in our region is great, and community partners like you make our work possible.
